MISUNDERSTOOD is dedicated to helping restore the image of the pit bull and ending discrimination against this breed by adopting out ambassadors for the breed and educating new owners. Through educational outreach and events, we hope to help inspire a better understanding and appreciation of the breed, to dispel damaging myths about the breed, to encourage responsible ownership practices, and to offer practical adoption policy solutions to help shelters and adopters make smart adoption decisions. We offer rescue resources to help deserving homeless pit bulls and their advocates and we assist in the adoptions of wonderful dogs into equally wonderful homes. MISUNDERSTOOD is a 501(c)(3) non-profit organization. All donations are tax deductible.
